

Aurora Expeditions to cancel Russia itineraries

SYDNEY, AUSTRALIA (08/03/2022) – Aurora Expeditions has confirmed that it will make changes to its upcoming voyages that include Russian itineraries in light of the invasion of Ukraine.

The team at Aurora is now reviewing our deployment in the region and will advise our travel partners and guests of those changes in the near future. During this time, we will continue to offer our flexible policies to accommodate for these evolving conditions.

Any booked guests and trade partners of affected sailings will receive updates and specific details applicable to their booking, which will be available shortly.

Notes to Editors

About Aurora Expeditions

Aurora Expeditions is an award-winning, Australian owned expedition company celebrating its 30th anniversary year. A pioneer in Polar Expeditions, Aurora is truly committed to environmentally responsible travel, we are committed to preserving the beauty and majesty that mother nature possesses, and we take real actions for the care of the planet.

Founded on the guiding principles of adventure and endless exploration, the small ship experience is intimate and friendly, and Aurora Expeditions takes guests on perspective-altering experiences to some of the most remote and incredible places on earth.

Aurora's two purpose-built ships, the *Greg Mortimer* and our brand-new small expedition ship the *Sylvia Earle*, are both designed for global discovery. The new ship is named after acclaimed marine biologist, oceanographer, explorer and conservationist Dr. Sylvia Earle.

As part of Aurora's ongoing commitment to ensure that we are doing small ship expedition travel in the safest and most enjoyable way possible, every aspect of Aurora Expeditions' Health and Safety program has been reviewed.
